Our Welfare team, located in the festival arena, will be able to store medication upon signature of a waiver. This will be kept in a lockable fridge and supervised by the team. Please note that this service is only available during the festival arena opening times and is not available for overnight or campsite storage. Medicine must be collected every evening. If any medicine is not collected, this will remain in the fridge but is not supervised overnight.

## Food and Drink

We aim to cater for as many of our guests as possible to ensure that they are able to enjoy Big Feastival to its fullest!

Whilst some of our food vendors will have noted dishes without certain allergens, the guidelines surrounding stating that a dish is allergen free are very specific and all elements must be prepared in a strict controlled condition that is unfortunately not possible at Big Feastival as it is a temporary event. Please speak to any of our food vendors at the festival should you have any questions about allergens.

If you require any specific food due to dietary requirements, please notify a member of our security team at the gate when you arrive who will allow a small amount of food to be brought in. Please note you may be required to show medical documentation to confirm your requirements.

## Assistance Dogs

Big Feastival is committed to making sure the event is as inclusive and accessible to all and we understand that some customers will rely on an assistance dog to attend our events. Big Feastival can be crowded and at times loud, creating an unpleasant environment for animals. For these reasons, we do not permit our customers to bring non-assistant animals with them.

Big Feastival reserves the right to turn away dogs at the gate who do not comply with Assistance Dogs UK guidelines surrounding assistance dogs.

In order to ensure the smoothest entry possible, we would ask customers to contact our customer service team so that they can help facilitate your entry at the festival and provided necessary information regarding the venue [enquiries@thebigfeastival.com](mailto:enquiries@thebigfeastival.com)
